

# FOXES!

WRITTEN BY  
BEL RICHARDSON

Here are some wily foxes in the forest. They are on the hunt for a yummy meal.

Foxes are omnivores. This one wants some meat.

These foxes have explored  
along roads and in gardens.

This fox has found a cosy  
fox box to sleep in. It is dry  
and comfortable.

Foxes in the colder months  
keep warm in winter coats.  
Foxes dig in the snow to get  
things to eat.

There are a lot of different types of foxes. They come in red and white and black and grey. Bat-eared foxes have huge, rounded ears.

Here are some little fennec foxes. Adults are about 20cm tall, and they use their huge ears to keep track of enemies.

Arctic foxes have thick, white coats for the snow. Their coats keep them warm, but they also keep them hidden. It makes it hard for both predators and prey to see them.

When the weather gets warmer, foxes shed their winter coats. Can you see the difference between their thicker coats and lighter coats?

Watching foxes growl, play, and hunt may remind you of watching dogs. This is because dogs, wolves, coyotes, jackals, and foxes are all in the canine family, Canidae.

Foxes love to explore their environment. They check out the plants and trees to find good places to drink and nap.

Foxes live in fields, forests,  
and cities. They can live just  
about everywhere. They  
have very diverse habitats.

This fox has chosen an old tree stump as a place for a nap. It is all curled up. A fox is very agile and good at balancing.

Here is a little fox kit,  
just starting out its life.  
There is a lot to learn.  
Fortunately for the kit,  
foxes are very clever  
animals.

## I'M FREE! HERE'S HOW...

Bookbot books are free, high quality decodable readers based on the order of sounds introduced in the Jolly Phonics early literacy program.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page [www.bookbotkids.com/phonics-books](http://www.bookbotkids.com/phonics-books) from your school's website to help support us.

How can we offer Bookbot books for free? Each book is funded by our passionate community who believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can support us too: please contribute to [www.bookbotkids.com/phonics-books](http://www.bookbotkids.com/phonics-books).

### You are free to:

Share — copy and redistribute the material in any medium or format  
Bookbot will not revoke these freedoms as long as you follow the license terms.

### Under the following terms:

Attribution — You must give appropriate credit, provide a link to [www.bookbotkids.com/phonics-books](http://www.bookbotkids.com/phonics-books), and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
