

PUPS!

WRITTEN BY
BEL RICHARDSON

This puppy is in a teacup
with red spots. Is the cup
in a playhouse in the
garden?

This pup is taking a nap in
the crook of her arm. The
jumper is so soft.

This puppy is playing with
a rope toy in the park. It
has started to rain! Time
to go home, puppy!

Having a puppy for a pet
is not easy, but it brings a
lot of joy.

This puppy is resting on a teddy. It is a teddy for dogs. See the paw print on it?

Pups out for a morning
run in the park. Time to
pee and poop.

This puppy will play
with her. She pets
the pup's soft fur.

Having a puppy for a pet
is not easy, but it brings a
lot of joy.

This puppy will play with the toy. It will squeeze the toy and make a squeaking sound.

Pups can see a toy pup!

Will the pups try to play?

=WoF=

This spotty pup with
a collar is big now.
Big dogs still like to
play and run around.

Having a puppy for a pet
is not easy, but it brings a
lot of joy.

I'M FREE! HERE'S HOW...

Bookbot books are free, high quality decodable readers based on the order of sounds introduced in the Jolly Phonics early literacy program.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/phonics-books from your school's website to help support us.

How can we offer Bookbot books for free? Each book is funded by our passionate community who believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can support us too: please contribute to www.bookbotkids.com/phonics-books.

You are free to:

Share — copy and redistribute the material in any

medium or format

Bookbot will not revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to www.bookbotkids.com/phonics-books, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
