

INSECTS!

WRITTEN BY
BEL RICHARDSON

An insect.
It can hop.

An insect.
Spots on top.

An insect.

It can cut.

Not an insect.
A lot of legs!

An insect.

It can hunt.

An insect.
It can suck.

An insect.

It can flap.

Not an insect. I
cannot see legs.

An insect.
It pretends.

An insect.

It can stink.

An insect.

It can rob.

Not an insect. I can
tell from its legs.

I'M FREE! HERE'S HOW...

Bookbot books are free, high quality decodable readers based on the order of sounds introduced in the Jolly Phonics early literacy program.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/phonics-books from your school's website to help support us.

How can we offer Bookbot books for free? Each book is funded by our passionate community who believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can support us too: please contribute to www.bookbotkids.com/phonics-books.

You are free to:

Share — copy and redistribute the material in any medium or format
Bookbot will not revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to www.bookbotkids.com/phonics-books, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
